Patrol Specifications

1. Size of Patrol may vary between 5 & 8 Boys
2. Webelos Dens are invited to the Derby and may have adults accompany them on the trail. Coaching and advising Webelos dens is encouraged but Adults can not directly assist with the challenges (i.e. HANDS OFF)
3. No Adults may accompany Boy Scout Patrols unless the Patrols have Webelos Scouts.
4. All Scouts must be properly clothed for the weather-this will be evaluated as part of the sled inspection.

NO ATHLETIC SHOES PERMITTED. SCOUTS WEARING ATHLETIC SHOES WILL BE DISQUALIFIED FROM THE EVENT.

5. Patrol Rosters must be signed by an Adult leader of each unit.

6. Each Patrol will need a cheer and a Patrol Flag

7. Each Patrol will also need to show teamwork and Scout Spirit and best of all—Have Fun

General Rules

1. Patrols must compete as a patrol with all the members present at each station. The patrol may not be split into two or more parts to compete at more than one station at the same time.
2. Each patrol leader will be given a map and a score sheet at the patrol leader's meeting. Patrols should try to proceed through the competition in order. However, in the event of a delay at an event, patrols may choose another city, and then return at a later time.
3. Adult leaders and visitors are welcome to observe the operation of the Derby, but we do ask that they not accompany the Scout patrols throughout the day. No coaching of Boy Scout Patrols, or delivering of items to any patrol, will be permitted once the derby starts. One of the objectives of this event is to encourage the scouts to use their own resources and make their own decisions.
4. Webelos den leaders should accompany their dens on the trail throughout the day. They should work with their dens to make the derby a learning experience of scouting skills. Webelos leaders may coach their patrols but please **Hands Off!** Only one leader should be assigned to work with their den at each city.
5. The decision of each judge is final and there is no system of appeals. You can bring things not on the equipment list. **If it's on your sled you can use it.** Just remember it has to be carried all day.

Scoring/Awards

1. Points will be awarded at each station based on the difficulty of the problem and the correctness and or completeness of the patrol's response
2. This is a patrol event. Event scoring is a range of 1-10 points. Each judge will be allowed to award up to 5 bonus points for patrol cooperative effort and Scout spirit at each station. As a result, each of the stations can award up to 15 points.
3. Every patrol must return their score sheet at the conclusion of the competition. **Score sheets received after 3:45 pm will not be counted. This is a firm deadline.**
4. Each scout and adult who registers to participate in the Klondike derby will receive a patch at the end of the event.
