## Mansfield Scout Adventure Store

3 N. Main St., Suite 302, Mansfield (Corner of N. Main St. & Park Ave. W. - inside the Richland Bank Building – on the 3<sup>rd</sup> Floor)

All Wolf Scouts (2<sup>nd</sup> Graders) are invited to join us for a fun day working on requirements to earn the **Adventures in Coins Belt Loop for Wolf Cub Scouts**. We will have a special guest instructor who will teach everyone about coins. You will learn how to identify the parts of a coin, where and when the coin was made, and much more. We will also make a Wolf Face coin case for you to keep your coins in.

**Please bring at least one coin with you so you will be able to examine your coin(s) close up during our workshop.** (Any coin is fine, but a larger coin is easier to see the markings on.)

Cub Scouts must be accompanied by a parent/guardian or adult leader.

Contact Lisa Whisler at 419-524-1900, or stop and see her at the Mansfield Scout Adventure Store to register, or to answer any questions.
