MEDICAL FORMS

A current medical form is required for all adults and Scouts at camp. A Boy Scouts of America form is to be filled out by all participants prior to camp. Parts A and B are required for all participants attending Day Camp. Parts A, B, and C are required for all Resident Camps. All forms are returned to campers at the end of camp. Find the medical form at www.buckeyecouncil.org/cubscoutcamping. No Scout or adult will be permitted at camp without a medical form.

**Part C of the medical form requires a physician's signature.*

CAMP STAFF

Our dedicated camp staff is on-site to guide each Scout's camp experience. All staff are registered members of the BSA, completed Youth Protection Training, and received a background check. Younger staff members, typically Scouts (ages 14-17), are supervised at all times and completed Youth Protection Training. All camp staff are trained in safety and security of Scouts, emergency procedures, programming, and First Aid and CPR certified.

BRING A FRIEND

We know that it's important for Scouts to attend camp with a friend! All Day Camps and Twilight Camps have a "Bring A Friend" day on the Wednesday* of camp. Friends can come for free to experience camp for the first time on Bring A Friend Day. Friends are invited back for the rest of the week at a prorated cost that includes the rest of camp and registration for Cub Scouts.

**Bring A Friend Day varies from camp to camp, however it is typically on Wednesday of camp.*

SPECIAL NEEDS

The Buckeye Council, Boy Scouts of America strives to make accommodations for Scouts with special needs and/or dietary restrictions. Depending on the camp, some areas of camp might not be accessible. Each Scout brings a packed lunch to Day Camps, but Resident Camp has a dining hall. If you have dietary restrictions, make sure to contact your camp director to ensure a safe and enjoyable camp experience.
